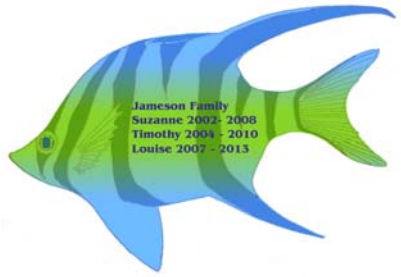
Re: Fish Sponsorship

You are invited to sponsor a message fish for our School's new Marine Discovery Centre (MDC). Each fish will be an aluminium cut-out, with a colourful laminate. Not only will they last the test of time, but they will look quite spectacular. Our Artist-in-Residence, Ms Alison Harvey, will position them so that they swim around the outside of our new MDC as a school of fish.
These donations are tax deductible as they are donations to the school building fund.
The cost is $200; the same price as our School Paver Promotion and the same space is provided for your text. You can fill-in the space provided below to have your own family message. Only one character is allowed per space.

Yours sincerely



Michael Honey
Principal

Tim Hoile
Director

✂……

I have enclosed a cheque/money order or credit card details for $200 to 'Star of the Sea School Building Fund'. I will receive a Tax Deductible receipt.

Please mark envelope: **Attention: Marine Discovery Centre**
