

Marine Discovery Centre Vacation Care Visits

Bring the beach to your centre/school...
with Marine Biologist/Teacher Lisa and
Marine Trainee Karno

Lisa showing a local seastar

Karno highlighting Aboriginal artefacts

Learning experiences that allow students to discover the wonders of our local marine environment through interactive and hands on activities linked to ACARA.

Visits may include activities focused on:

- Aboriginal Coastal Knowledge
- Marine Litter
- Coastal Erosion
- Camouflage
- The Water Cycle
- Local Birds
- Overfishing
- Beachcombing at your local beach or school

Session Time: 90 minutes

Cost: \$10 per student – minimum cost \$300

Maximum students: 60

Bookings: 8115 7402 or email: info@marinediscoverycentre.com.au
