

WORLD OCEANS DAY THEME PACK SPECIAL OFFER!

Available until June 8th only

- based on local Southern temperate marine life
- enabling all K-7 teachers to develop a "Sea" theme
- empowering students with choices

As a special offer for World Oceans Day 2006, purchase this entire package for only \$299 (including GST, postage and handling). This represents a saving of \$124.50 compared with purchasing these seven items individually!

World Ocean Day June 8

Created in 1992 at the Earth Summit in Rio de Janeiro, World Ocean Day is an opportunity each year to celebrate our world ocean and our personal connection to the sea.

1 A set of marine storybooks (6) - \$50 per set

Six storybooks have been developed through real-life experiences of creatures living in our aquaria.

We believe these storybooks capture the essence of our MDC and will be a wonderful series for all to enjoy.

One of the stories is about the birth of our own Port Jackson shark PJ99.

Each book is 20.8 cm high and 14.8 cm wide with 18 pages in each.

Books in this series:

- PJ 99
- Beach Walk
- Marine Discovery
- Rockpool
- Seahorse Story
- Sea Snails and Friends

2. A set of six seahorse storybooks for guided reading - \$50

This storybook has been developed through real-life experiences of creatures living in our aquaria.

It is a story about one of our seahorses, Paul.

3. A set of Beachcombing posters (15) for class use - \$60

The poster is double sided and 42 cm x 30 cm. It is suitable for the Southern Temperate zone which is basically Sydney to Perth.

Marine Discovery Centre, Henley Beach

The MDC has been widely acclaimed as Adelaide's most popular school excursion and has received 31 International, National and State Awards for education and environmental awareness.

4. Two big books: "Beachwalk" and "Sea Snails and friends" - \$160

The price of \$160 includes one copy of each book. Each book is 42 cm high and 30 cm wide with 18 pages in each.

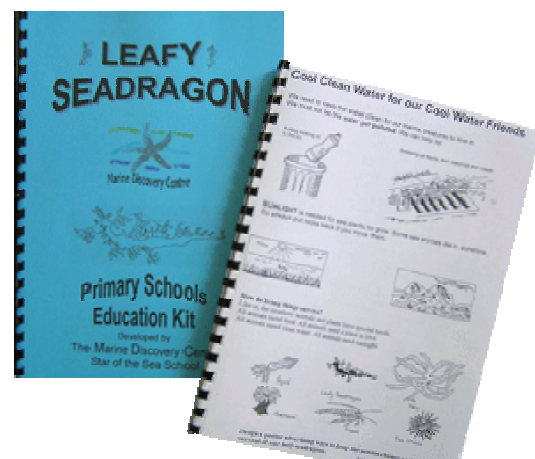

These new books are part of our storybooks series. They have been developed through real-life experiences. We believe these storybooks capture the essence of our centre and will be a wonderful series for all to enjoy.

5. Leafy Seadragon curriculum pack - \$18.50

Marine Education Activities for all Primary school levels up to year 7.

Years R-2: There are about 18 activities, including "My t-shirt, What can you find on the beach? Caring for the Coast, Hidden Creatures", for students to do and also includes a section about Background Teacher Information.

Years 3-5: There are about 14 activities, including "What is sand?, Water Cycle, Design a "Seafood Menu", Friend of the Dunes", for students to do and also includes a section about Background Teacher Information.

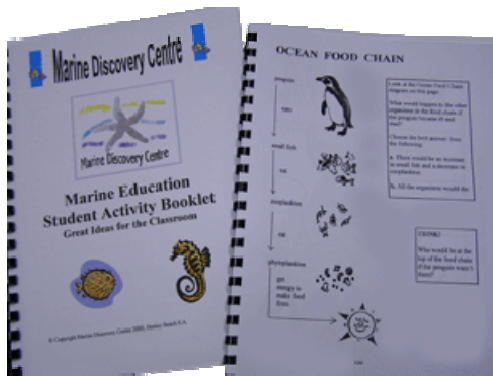

Years 6-7: There are about 15 activities, including "Leafy Card, Threats to the Oceans, Cuttlebone Designs, Longshore Drift Experiment", for students to do and also includes a section about Background Teacher Information.

6. A set of coastal posters (8 different) with Question and Answer booklet - \$70

Eight posters featuring local South Australian marine information, beautiful photographs, up-to-date information, outstanding drawings by local artist Alison Harvey. Includes an activity pack with questions and answers for 6 - 11 year levels.

Each poster is 59.5 cm x 40 cm.

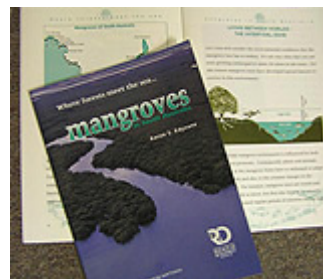

7. Marine Education Student Activity Pack - \$15

There are about 32 exciting marine activities, mainly for R-3 year levels activities, including “Seal Mask, Find-a-word, Crustacean Mobile, Leafy Seadragon Card, Draw with numbers – use sea creatures, Silver Gull – puzzle”.

BONUS OFFER

Receive a free copy of the “Mangroves in South Australia” book if you order before June 8th (while stocks last).
