

Where does it belong?

You have been for a walk along the beach and found some interesting things. Colour the items that belong on the beach in blue. We will leave these on the beach in the environment where they belong. Colour the items that can be recycled in yellow. Colour the items that can be put into a compost bin in green. Colour the items that must go into the landfill bin in red. We will take these off the beach as they don't belong here.
